John A.ddy, admr of State of Ohio
 William King, decd } Mercer Probate Court,
 against }
 Elizabeth E. King et al. } Answer of
 Andrew Gillespie,

The defendant Andrew Gillespie for his separate answer says that he waives service and voluntarily enters his appearance herein,

On the 1st day of November 1874, the ~~decedent~~ William King made and delivered to one Marshall Early his three promissory notes of that date for \$326.39 each - due respectively Nov. 1st 1876, Nov. 1st 1877 & Nov. 1st 1878, all ~~with~~ the first two of which, with 6% interest from their date and the last one with 8% from its date, for value received all interest payable annually,

On the 7th day of November 1874, the defendant Elizabeth E. King and said decedent, to secure the payment of said notes, executed and delivered their mortgage deed to said Early and thereby conveyed to said Early his heirs and assigns the following lands and tenements situate in the County of Mercer and State of Ohio: the west half of the south west quarter of Section 20, Town 4 South, Range 2 east, The condition contained in said mortgage was in substance that if said William King should pay said notes when they respectively became due with the interest then said mortgage to be

void, otherwise to be and remain in full force and virtue, said notes and mortgage were given for purchase money for said lands.

On the 24th day of March 1875 at 3 o'clock P.M. said mortgage was delivered to the recorder of said county to be by him entered and record and was recorded March 25th 1875 in vol 12, p. 384, Mercer county records of mortgages.

On the 15th day of February 1876, said Early sold said notes & mortgage (and he and his wife, Martha J. Early, assigned said mortgage) and delivered them to this defendant, who is now the bona fide owner thereof.

Said mortgage has become absolute. There is due and remaining unpaid on said first note the sum of \$326³⁹ with interest from the 7th day of November 1874; that unless sooner paid there will on the 1st day of November 1877 be due on said second note the further sum of \$326³⁹ with 6% interest from the 7th day of November 1874; and that unless sooner paid there will on the first day of November 1878 be due on said 3rd note the further sum of \$326³⁹ with 8% interest from the 7th day of November 1874.

This defendant asks that said mortgaged premises may be ordered to be sold free from dower, and that his said claim may be declared & ordered to be the first lien on said premises - that the

amount due on said first note be
ordered paid first out of proceeds of said
sale, after paying costs, ~~and~~ that such order
be latter as to the notes, not yet due
as may be just and equitable, and for such
other & further relief as may be just and
equitable.
